Authorized Coherence™ Healing Group

## **New Member Information**

Our group is currently accepting applications on a waitlist only. **This application is for Advanced Students of Dr. Joe Dispenza only.**

*Note: We do not anticipate opening for new members again until early Summer 2024. At that time we will reach out by sending an email to selected applicants. We will have very limited spots so not all applicants will be invited. If you do not want to wait there may be other Authorized Groups that are open now for new members. ## **About Us**

Our group was founded at the Cancun Weeklong Event in December 2020. We started this journey with a focus on building a strong cohesive community of loving healers. We ask for a 6-month commitment to create a state of emergence where we move together as one mind & one heart. Our healers enjoy the powerful energy, love, and coherence we create throughout the six months on a whole new level and most of our healers stay even longer with our group.

We are very committed to this group and our healing sessions. We are doing all the work with passion and accountability.

We are doers, we show up for the healings, and we make it a priority in our lives. We hope you can do so too and bring your light to the group, the Healees, and yourself!

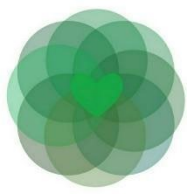

In October 2021, we had the honor of becoming an Authorized Coherence Healing Group by Dr. Joe Dispenza.

## **What do you bring?**

Do you want to help people? Do you intend to become good at coherence healing? Do you have a vision and a mission that is greater than you? Do you want to evolve your skills as a healer? Do you want to experience what is possible for you in the future? Do you want to continue your growth as a healer? Are you committed to showing up for the healings and making them a priority in your life? Do you want to contribute to a loving and giving community?

If yes, you are in the right place!

We are looking for highly committed and reliable healers who show up several times a week to love another person into life. We welcome people who are doing the work of Dr. Joe with passion and sincerity every day. We count on every one of our dedicated members. We know each other, care for one another, and evolve together.

## Rules for Members of Authorized Groups

As a member of our group, you must meet and agree to the rules of an Authorized Group.

Here are the most important rules:

- Members of Authorized Groups (AG) must all be Advanced Students. An Advanced Student is defined as someone who has attended a Weeklong Advanced LIVE event with Dr. Joe. *Encephalon will validate your prior attendance in one of these events before authorizing CPF to admit you as a new member.*
- Members of Authorized Groups (AG) cannot heal with non-authorized groups. If those groups do meditation, they can belong to this group and meditate with them. If it is a healing-only group, then they need to leave the non-authorized group.
- Participating in Animal healings with non-authorized groups is okay.
- Members of Authorized Groups are allowed to belong to groups like Lynn McTaggart's Power of 8 or others
- Members of Authorized Groups are allowed to join more than one Authorized Group as members and as Healers in general. *Note: Attendance at another Authorized Group's healing session does not satisfy the Healer's commitment to CPF. Only 2x per week attendance at CPF's Healing Sessions satisfies your commitment to CPF.*
- Members of Authorized Groups are required to sign an NDA (Non-Disclosure Agreement) which protects the work of Dr. Joe Dispenza.

### Operating/Employed by a Healing Business:

If someone intends to or believes they may wish to open a healing business that would include Coherence Healing or something that looks a lot like Coherence Healing they should not be a part of an Authorized Group.

Dr. Joe doesn't own healing or energy healing, but anyone who would want to name him, or has learned from him and wants to charge for healing using similar healing techniques is not allowed to do so under the terms of the NDA.

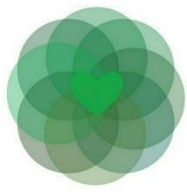

Dr. Joe is committed to offering the Coherence Healings free of charge. No one should plan to set up a business using what they learn from him or an Authorized Group.

## How to Apply and Become a Healer

We run this group communicating in Telegram only. If you are not willing to be on Telegram using your full first and last name on your Telegram profile, you cannot join our group. *If you haven't already, please join Telegram before you send your online application.*

If you are selected to join CPF and to start the enrollment process with us, we will send you an email with a link to join our Telegram chat - “CPF New Member Applicants” - all of our communications with you regarding your application progress will be in this chat. **Please be sure your Telegram name matches the full name on your application** so that we recognize you as an approved applicant.

After all the current Applicants have joined the “CPF New Member Applicants” chat, we will post 3-4 options for Introductory Zoom meetings in the chat. **Attendance at one of the Introductory Zoom meetings is a requirement before you join our group.** We will be covering important information regarding our group and Encephalon’s requirements. It is also an opportunity for you to ask us questions.

After our Zoom meeting, if all of us feel we are a good match for each other, we will send your email to Encephalon for their verification of you as an Advanced Student. After you are verified by Encephalon, you will receive an email from them with the link to the NDA for your review and signature. We will be notified by Encephalon when you have signed the NDA and you will then be invited to join our CPF group channels on Telegram with access to our schedule and the Zoom link for the healings.

You will be receiving help with any questions regarding the group, the process, and any other questions through a Welcome process. During the first weeks as a CPF healer, a mentor, who is a member of our Welcome Team will stay by your side to help you get familiar with our processes. We want you to feel safe, welcome and loved in our group. Our Welcome Team will take care of you from the very beginning.

## Our language is English only

We are a worldwide group. However, we do require our healers to be able to understand, speak, and read the English language. We provide instructions for our members in English. We facilitate coherence healing sessions and send out occasional *mandatory* healer surveys in English only.
